

## *Projects*

In seven years NARKO-NE has developed projects on three levels.

### **A Practical projects in the direct work with adolescents**

- I Youth to youth – from the Hotline to the innovative theatre*
- II Intercultural Summer-creative-weeks**
- III 'Older sister, older brother' – support for socially excluded children and young people**
- IV Peer group education in school*
- V Pupil magazine 'Preventeen'**
- VI The 'Intercity theatre project'**

### **B Train-the-trainer for prevention of addictive behaviour and youth work**

- I Two years course for professionals for drug prevention 2003 – 2005*
- II Training for specialised personnel for support of the students in the project 'Older Sister, Older Brother'*
- III Specialization for apprentices for preventive work with socially excluded children and youth**

### **C Development of structures, strategies and programmes for primary prevention in youth work**

- I. Development of a strategy for addiction preventive youth work in 6 municipalities*
- II. Development of a program for drug prevention and youth work in school and community*
- III. Strategic planning and networking of the 'Older sister, older brother' project in Banja Luka and Sarajevo**
